

**REMARKS**

**Amendment to the Specification**

The specification is amended to direct entry of the enclosed Sequence Listing. This amendment adds no new matter.

**Sequence Listing paper copy**

The instant application is a Continuation of USSN 09/559,671 filed April 27, 2000 (now US Patent No. 6,613,514). The written form of the Sequence Listing submitted herewith is a copy of the Sequence Listing submitted on May 21, 2001 in parent application USSN 09/559,671.

**Request to use Sequence Listing CRF copy from parent application**

The computer readable form of the Sequence Listing in the instant application is identical with that filed in above-noted parent application USSN 09/559,671. In accordance with 37 CFR 1.821(e), please use the last-filed computer readable form in the parent application (as submitted to the USPTO on May 21, 2001) for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application.

**Statement Accompanying Sequence Listing**

The undersigned hereby states that the paper copy of the Sequence Listing submitted concurrently herewith does not include matter which goes beyond the content of the application as filed, and that the Sequence Listing CRF from USSN 09/559,671 which was submitted to the USPTO on May 21, 2001, is identical to said paper copy of the Sequence Listing.
